

Roy Palomino

Software developer

About me

I am a web developer with over **6 years of experience** building dynamic and scalable web applications. I am passionate about my work and enjoy facing new challenges, learning from them, and continuously improving my skills. I have a great curiosity for new technologies, and I am always looking for ways to innovate and improve my projects.

Personal

Roy Antony Palomino Rojas

Areas of specialization

Frontend • Backend • Linux
• Scripting

Interests

Go / Typescript / Linux
AWS / React / Vim
Rust / Swift / Android
Docker / UX/UI

More interests

Reading fiction and non-fiction
UI/UX and Figma
I like the music, I'm pianist
